

HOW TO

SHARE YOUR SIGHTINGS WITH US

- 1** Send us your photos or videos with facial profiles of your turtle sightings

Photographs by Micol Montagna

- 2** Add some data

REQUIRED INFO

PHOTOS BY: who is the photographer?

DATE: when was the turtle spotted?

LOCATION: where were you when you saw a turtle?

PERMISSION TO SHARE YOUR PICTURES:
can we use your pictures for our educational material?

OPTIONAL INFO

DIVE CENTRE / INDEPENDENT: were you in excursion with a dive centre (which one?) or by your own?

TIME: what was the time when you saw the turtle?

DEPTH: at which depth were you when you saw the turtle?

WATER TEMPERATURE: what was the temperature of the water?

SPECIES: can you say what species of turtle it was?

ACTIVITY AT FIRST SIGHT: what was the turtle doing when you first spotted it?

APPROX. SIZE: how long was the turtle's carapace?

SEX: did you see a very long tail (longer than the rear flippers) or a short tail?

OTHER INFO: any useful detail you'd like to share!

- 3** Share your sightings with us!
